New Business items not requiring board action

- A) Jean Holt made a presentation about Lungevity, the Charity that supports Lung Cancer research. Jean asked the board's permission to host a Lungevity Charity Game at Lake San Marcos and use one of the Unit's unused Sectional Sanctions. The Board agreed to support the game both financially and allow the use of the Sectional sanction. Sheila will get the Sanction for Sept 21st. The Board asked Jean to talk to Lee as the game will conflict with NCBC's weekly Barometer game. The Board also agreed to look at a matching funds contribution. It was pointed out that at least four members of Unit 549 have been affected by Lung Cancer.

Summer Sectional – A discussion was held regarding the Box Lunches. It was determined that we would order 75 per day. Karen Okey was going to check with Major Market, Panera's, Von's and Albertson's for prices. Liz Nixon and Nancy Sperry will sell the sandwiches on Friday, Liz will sell on Saturday but will need an assistant. Sheila requested we keep the Pavilion for both days. Liz suggested we indicate on the flyer that local lodging is available at the "New Lake House". Liz also suggested we gather door prizes from local businesses and promote as part of the sectional to attract players.

Summer Sectional - A discussion was held regarding increasing the participation at the Unit Games. It was suggested that we re-instate the full lunch and possible cater. Also, Liz suggested we need a flyer to circulate to all clubs in North County, not just depend on emailing the flyer

- B) **Unit Tax** return for 2011 and 2012 – Ken was going to talk to Bill Sperry about the tax returns and make sure they were filed
