

Calling all Non Life Masters, a non life master game is returning to Escondido after way to long an absence. Starting this Thursday (1/22) there will be a game starting at 12:30 pm. Technically, I think the ACBL now calls these 499er games.

The Skinny

The game is at the new Bridge Club of North County but at the old place - 2320 S. Escondido Blvd,

Game starts promptly at 12:30 pm so plan ahead, we have a little issue with parking.

Little issue with parking - we only have 12 assigned parking spots in the lot. Those of you that get around better and don't mind can park on the street and walk the 100 yards to the club. We have also rented parking spots from the Elks Club just down the street and have a shuttle service starting at 12:00 pm to take you to the club. Last shuttle leaves at 12:20 pm. During our first 5 days of operation this system seems to be working okay.

Reservations not needed - you can just show up and play.

New telephone number for the Club - [760-807-9396](tel:760-807-9396).

Need a partner? - Sue Compton will try and match you up with someone close to your skill level. You can call her at [760-317-6174](tel:760-317-6174) or e-mail her at comptons@cox.net.

The new Website is coming soon - thanks for your patience. We are still dotting some i's and crossing some t's, but we are playing bridge.

We hope to see you Thursday!!
