

The North County Bridge Club is busy dotting those i's and crossing those t's. Their first priority was to get a well organized and friendly bridge game going again in Escondido. The second was to get a non-life master game going and some bridge education started for the non-life master group. The non-life master game starts tomorrow and a mentor/mentee session is starting next Monday. Please see announcement below.

Starting Monday, February 2 from 9-11 a.m., there will be a supervised play session for only \$5.00! This practice session will be geared for the novice and intermediate player with 0-500 master points. Four players will play duplicate boards with a mentor watching as you bid and play out the hand. After the bidding and the play, the mentor will discuss with you how the bidding might have gone, and instruct on the correct play, bidding conventions, and techniques to help you get the extra tricks. The session will be from 9-11:00 a.m. on Mondays. You do not need a partner, although a partnership will really benefit! Just come and join us for some relaxed, yet supervised fun! No need to reserve for this session.

We hope to see you on February 2nd, at the Bridge Club of North County which is at 2320 S. Escondido Blvd. in Escondido. Telephone # is [760-807-9396](tel:760-807-9396).
